Agile Leadership Strategies for Adapting to Change

Facilitator: Alan Mallory)

Effective club leadership in today's society requires a shift in mentality to embrace more agile and collaborative approaches that empower people, leverage opportunities, and instill confidence. Understanding individual personalities, making strategic adjustments, and adapting to volatile and ever-changing environments is what allows clubs to continue to thrive. In this interactive session, we'll explore a number of agile leadership strategies that will get you thinking about ways you can respond to changing circumstances and make incremental improvements in your Rotary club.
